- Cart for waiters (serving)
- Dial table scales
- Electronic cash register devices - 12 pcs.

"Electronic fitter (locksmith) on duty and for equipment repair, electrician for repair and maintenance of electrical equipment"

- Electric meters three-phase direct inclusion - 3 pcs.
- Electric meters are three-phase through current transformers
- Set for an electrical fitter - 3 sets.
- Megometers - 3 pcs.
- Transformers for a voltage of 36 V.
- Set of electrician's tools - 3 sets.
- Voltage indicators above 1000 V.
- Time relay, voltage relay - 3 pcs.
- Differential machines - 3 pcs.
- Protective unlocking device - 3 pcs.
- Oscillograph
- Multimeter - 3 pcs.
- Limit switches - 3 pcs.
- Magnetic starters, contactors, control buttons
- 10 A ammeters.
- Voltmeters for a voltage of 380V.
- Cable couplings
- Winches

"Electric welder for manual welding; locksmith for assembling metal structures"

"Turner; locksmith for assembling metal structures"

- Lathe - 2 pcs.
- Semi-automatic welding machines - 5 pcs.
- Welding apparatus for argon-arc welding - 3 pcs.
- Welding apparatus for plasma welding - 3 pcs.
- Initial layout of the lathe - 1 pc.
- Guillotine knives - 1 pc.
- Sheet metal bending machine - 1 pc.
- Edge bending machine - 1 pc.
